Healthpointe is proud to announce that they will offer wound care services at their 12 medical centers throughout Southern California, including **La Mirada** (http://healthpointemd.net/la_mirada_medical_clinic.shtml), Long Beach, Anaheim, Los Angeles, Corona and Colton. Healthpointe's physicians and dermatologists utilize advanced medical techniques for the field of tissue injury and repair with a strong emphasis on acute and chronic wound care to optimize patient outcomes.

Healthpointe's wound care program utilizes effective approaches and various wound care techniques such as the PalinGen Flow injectable, tissue debridement, skin grafting, skin bioengineering, **regenerative medicine** (http://healthpointemd.net/regenerative_medicine.shtml) and anti-scar strategies. Healthpointe's physicians are committed to deliver quality care and provide customized treatment plans to better fit the patient's needs for their wound care.

Healthpointe's board-certified medical specialists are trained to reconstruct, repair and replace missing or damaged tissue to a state as close as possible to its natural design and function. They are also fully trained in treating a variety of injuries with **wound care** (http://healthpointemd.net/ocmed_wound_management.shtml) applications including acute, chronic and complex wounds, scars, burns, abrasions, lacerations, diabetic ulcers, major trauma, inflammations and so much more.

The wound care program is also known to decrease formation of scar tissues, especially after undergoing complex surgeries and prevent infections from wounds.

Patients may receive wound care treatment at any urgent care medical center throughout Southern California. If you have any questions about the wound care program, contact Healthpointe at (800) 956-2663 or visit their website at <http://www.HealthpointeMD.net> (<http://www.HealthpointeMD.net>).

About Healthpointe:

Healthpointe is a leading multidisciplinary healthcare organization offering a full range of medical services in practice locations throughout Southern California (Los Angeles, Orange, San Bernardino and Riverside counties). As a highly regarded musculoskeletal group, we have a personal investment in the highest level of service, and we are proud of our record of excellence over the last four decades with private patients, injured workers, urgent care, personal injuries, and professional and non-professional athletes. Leading our organization is a dynamic team of healthcare professionals who continually strive to be at the forefront of medical innovation and healthcare service delivery.
