Client Service Representative

Description

JOB SUMMARY:

Provides customer service support and maintenance for existing accounts, capturing new accounts, and ensuring the best possible service is given to our clients.

SCOPE:

Approximately 40% of the work will be done in the office, the remainder is field work. A basic understanding of the healthcare industry is required.

Responsibilities

- * Develop new business opportunities through field work and sales networking
- * Perform proactive telephone and field calls to established/assigned accounts including: reviewing employer account. Reviewing level of client satisfaction with center performance and staff services, inventorying employer supplies (authorization forms, wall posters, trinkets)
- * Insures client protocols are kept current and accurate.
- * Conduct lunch meetings
- * Handle quality control issues in a timely response and a professional manner.
- * Report problems and client feedback to upper management for follow up and resolution.
- * Presenting our clinic to existing and prospective clients with tours and presentations of our services.
- * Participate in quarterly sales meetings, special functions, and other company events.
- * Converting previous customers to active accounts by overcoming objections.
- * Maintenance calls to prospective accounts acquired through field work and sales networking.
- * Meet specific objectivities & goals regarding client contact (maintenance calls as well as calls to prospective clients).
- * Perform account maintenance by visiting and maintaining good communication with new and existing clients.
- * Create personal client objectives and provide accountability to upper management on a weekly and monthly basis.
